

# BUSTER EXTRA

## Engineers Hand Cleaner

with scrubbing agents & citrus oil.

- **Fast acting for industry and commerce**
- **Contains scrubbing agents for extra cleaning power**
- **Orange oils provide a pleasant fragrance**

An effective hand cleaner with a citrus-oil base for extra strength and mildness. Free from plastic polybeads.

### USES

An orange scented hand cleaner, which contains scrubbing agents for added cleaning power, Buster Extra has been manufactured to a carefully controlled non-drip consistency.

Suitable to remove oil, grease, ink, bitumen, asphalt, tar, paint, plaster, creosote, mud and ground in soils from the skin.

Ideal for use in industrial environments such as garages, workshops, factories, etc.

### DIRECTIONS

Apply BUSTER EXTRA to dry hands and rub in well. Rinse off with water and dry hands thoroughly.
