

H11 LIQUID TOILET CLEANER

TOILET CLEANER/DESCALER WITH BACTERICIDE

PRODUCT DESCRIPTION

Provides quick, easy cleaning and sanitizing for all food preparation surfaces, microwaves, chopping boards, cupboards, fridges and freezers. Ready to use. Non-tainting. Food safe.

PRODUCT FEATURES

- A liquid cleaner with a powerful bactericide which can be used for one stage cleaning and sanitizing.
- An effective hard surface cleaner capable of removing a wide variety of ingrained and greasy soiling.
- Contains no perfumes so is non-tainting and therefore food safe, making it ideal for cleaning of food preparation areas and areas involved in the processing of meats, cream and other foods that may carry high risk of bacterial contamination.
- May be used to clean and disinfect all hard surfaces including refrigerators, freezers, cold displays, salad bars, microwaves, stainless steel surfaces, canopies and chopping boards.
- Anti-microbial activity: effective against both gram-negative and gram-positive bacteria.
- Conforms to EN1276, killing 99.999% of bacteria in 30 seconds (clean conditions) or 5 minutes (dirty conditions).
- Conforms to EN13697, killing 99.99% of bacteria in 5 minutes (dirty conditions).
- 5L refill pack available for maximum economy.

DIRECTION FOR USE

- Use via a trigger spray. Spray on to a clean damp cloth and apply to surfaces.
- Pay particular attention to corners, edges and underneath shelves and surfaces.
- Wipe off with a clean damp cloth or paper towel.
- For food contact surfaces, repeat the process to ensure complete disinfection.
- Rinse well
- Do not dilute.

STORAGE

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

SHELF LIFE

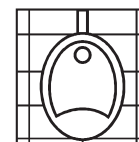

- Shelf life 24 months, if stored as recommended.
- Use within 6 months of opening.

ENVIRONMENTAL HAZARDS

- Do not allow large quantities of neat liquid to enter surface waterways.
- This product uses recyclable packaging. The detergents used in the formulation are biodegradable to EU guidelines under the detergents regulations (EC) No 648/2004.
- It contains no Phosphates.
- None of the components of this product are animal derived.
- This product has not been tested on animals.
