BIOLOGICAL LAUNDRY POWDER

- Persistent fragrance technology slowly releases fragrance long after washing and tumble drying.
- Helps to make fabrics easier to iron & removes static.

PRODUCT DESCRIPTION

Contains a built-in antistatic agent, making ironing easier and prolonging fabric life. A pleasant floral perfume gives a pleasant and lasting fragrance to the wash, a fragrance which persists even after tumble drying.

PRODUCT FEATURES

- A luxury concentrated viscous formulation leaving clothes fresh and soft, with a deep luxurious feel.
- Persistent fragrance technology which slowly releases fragrance long after washing and tumble drying.
- Easier to iron
- Fluffier
- Good absorbency
- Antistatic

DIRECTION FOR USE

- Use in the final rinse at the rate of 4-6 ml / kg of dry weight wash load.
- Do not use on kyllies. This may be reduced to as low as 2-3 ml when used in conjunction with an agreed Cleenol multi-product laundry dosing programme. Please contact your Cleenol Laundry Specialist for further details.

STORAGE

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

SHELF LIFE

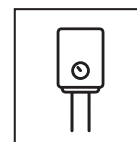

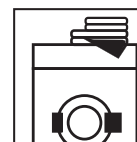

- Shelf life 24 months, if stored as recommended
- Use within 6 months of opening

ENVIRONMENTAL HAZARDS

- Do not allow large quantities of neat product to enter surface waterways.
