

S1 Odourless Sanitiser

doseit
by CLOVER

- Non fragranced
- Kills 99.999% of bacteria
- pH neutral, safe on all washable surfaces
- Food area safe

USES

S1 is an odourless, neutral sanitiser that is ideal for daily disinfection. Effective against MRSA, Salmonella, E.coli and Pseudomonas Aeruginosa.

1 Litre of S1 Odourless Sanitiser will create 50 triggers bottles.

S1 cleans and sanitises all hard surfaces safely. Use on a regular basis for cleaning and disinfecting work surfaces, equipment, walls, etc.

Suitable for use on wood, glass, plastic, aluminium, stainless steel and other water washable surfaces.

DILUTIONS

When using the bottle for the first time, the dosage control cap needs to be primed with its first dose of product. Invert the bottle for 3 seconds. Now the product is ready to dose its first 20mls.

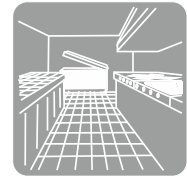

Lift the flip-top cap and invert the bottle to dispense a 20ml dose of product into a trigger bottle or bucket as required.

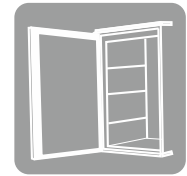

After dosing, turn the bottle upright and dose again!
